

BOOK - BINDING

Hot melt adhesive is an ideal choice for bookbinding professionals, applicable to textbooks, magazines, commercial prints, and printshop projects.

PRINTING PLANT

Free Bird Adhesives offers our go-to solution for bookbinding softcover books, textbooks, and all standard offset paper qualities: **6030** (for book spines) and **7030** (for book sides), designed for perfect binding production lines. These adhesives provide strong bonding, quick setting, and minimal smoke, ensuring a clean and efficient bookbinding process.

PRINTSHOP

Free Bird Adhesives offers our premium choice for printshop jobs: **6092**, available in a **clear translucent** color. It provides excellent adhesion to all paper types, ensuring perfect lay-flat performance, clean melting, and an odor-free formula.
